THE PAINT EXPERTS

# THE PAINT EXPERTS INDUSTRIAL

We supply a full range of protective coating solutions, including heavy marine, fire retardant and anti graffiti coatings, and structural steel.

We can also provide solutions for painting concrete in a wide range of environments, such as garage/workshop floors, trailers, swimming pools and more.

We work with a wide range of industrial customers, from machinery manufacturers to engineers and abrasion specialists and our team is also fully trained to provide solutions for customers who need to comply with Food Hygiene and CIP, with a product specification service available.

We also encourage you to talk to us about the new polysiloxane technologies which are isocyanate-free, making them environmentally friendly and healthier for the applicator. We also offer free solvent recycling to help you save on your gunwash.

**OUR TEAM HAS EXTENSIVE EXPERIENCE  
PROVIDING SOLUTIONS FOR A WIDE RANGE  
OF INDUSTRIAL CUSTOMERS.**
